CONTEMPORARY CLASSIC

Shaped for ever-changing tasks and a varied working day, this adaptable table can be used for representative meetings and multifunctional conference rooms, half folded as a smaller working solution or simply as a collapsible and temporary table appearing grounded in a dynamic shared space.

FORM

- Honest designs and materials reveal the structure of the furniture.
- With a clean and confident expression, it works well in both minimalistic and enriched environments.
- Selected materials contribute with a warm and tactile feel of solid wood.

FUNCTION

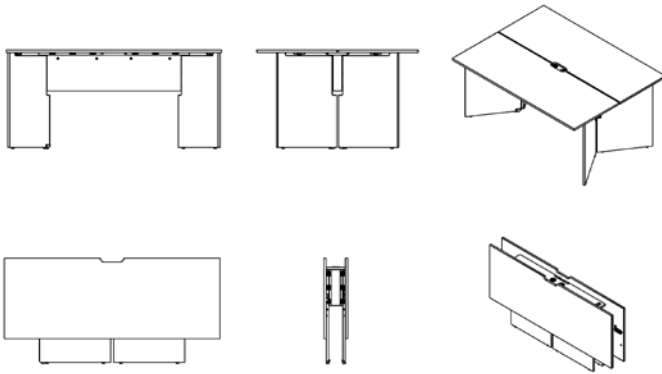

- Flexible solution that can be folded together, be half folded or fully folded.
- The furniture can easily be moved by one person thanks to wheels and a handle.
- Prepared for electrical outlets.

SUSTAINABILITY

- Versatility, for today's and future needs, contributes to longevity.
- Simple construction in solid wood and few components contribute to a stylish solution that is also easy to separate and recycle.
- Surface treatment with hard wax oil provides a strong and durable solution that can be easily re-treated.
